Meon Way Federation Parent Survey

Dear parents and carers,

To help us make sure we're providing the best standard of education for your children, we'd like to know how you feel about our schools.

This will help us to:

- o Find out what we're doing well and where we could do better.
- o Decide which areas to prioritise for school improvement.
- o Make sure we're meeting the needs of your child(ren)

Please take the time to complete this survey to help us make Meon Way Federation the best it can be.

Please remember that the online survey is not the appropriate place to air grievances. Contact myself or the office if you have any serious concerns that we can address.

Please complete the survey by Friday 28th November 2025 using the following links or QR code:
