

17th September 2025

Dear Parents and Guardians,

Year 1 visit from Brent Lodge Wildlife Hospital

On **Thursday 16th October 2025** Year One will have a visit from Alex at Brent Lodge Wildlife Hospital.

A fun and interactive workshop will tell the children all about the work that the hospital does and the animals that they care for. Alex will share lots of fun facts and information and the children will take part in a craft activity which they will bring home after the session.

The workshop cost is **£2 per child** and all money goes back into supporting the work of Brent Lodge. As outlined in our previous letter, there is a permission and payment facility on the Arbor app.

There is also a wish list for the charity attached to this letter, and any donations are completely optional but would be greatly received.

We have been supporting this charity for many years and they have asked for special permission to bring along a wildlife photographer to work alongside Alex and the children for the day. Photographs and video's will be taken during the session to show elements of the workshop and may be used on the Brent Lodge Website or in promotional material. We will use the usual photo permission agreements already in place unless you inform us that you do not want your child included in any photographs or videos that are taken.

Thank you

Miss Knight
