Dear Parents and carers,

Year 1 are learning about their senses in science. On Fri 9th October the children will be learning about their sense of taste with the following foods.

Please note the ingredients of these foods and notify the class teacher if any of these pose a problem with allergens and your child should not take part in the tasting.

If none of the foods are a problem and your child can take part you do not need to notify the teacher.

Thank you for your cooperation.

Kind regards

Year 1 Team
