

03/09/2026

**Dear Parents and Carers,**

### **Bikeability Training - Week Commencing 9 November**

We are pleased to offer Bikeability cycle training for our Year 5 pupils during the week commencing **9 November**.

Bikeability is the Government's national cycle training programme, designed to give children the skills and confidence to ride safely on today's roads. The training is delivered by qualified instructors and provides a valuable opportunity for children to develop their cycling ability and road safety awareness.

To register your child for Bikeability, please complete the online consent form using the following link:

<https://consent.bikeability.org.uk/king-tow-ace>

All bookings and parental consent must be completed online before the training begins.

### **Borrowing a Bike and Helmet**

If your child would like to take part but does not have access to a roadworthy bicycle or a suitable helmet, these can be borrowed for the duration of the training week.

When completing the online booking form, please indicate that your child requires a bike and/or helmet so that suitable arrangements can be made.

### **Important Information**

- Training will take place during school time throughout the week commencing 9 November.
- Participants should wear suitable clothing for cycling and the weather conditions.
- Children using their own bike and helmet should bring to school on Monday 9<sup>th</sup> November and must ensure they are in good working order and fit correctly.
- Places may be limited, so we encourage parents to complete the booking form as soon as possible.

If you have any questions regarding the Bikeability programme, please contact the school office.

We look forward to seeing many of our pupils taking part in this exciting opportunity.

**Yours sincerely,**

Miss Broughton

Head of Year 5
