Things to explore with your child!

PE: Our PE days are alternate Mondays and Wednesdays. The first week back is a Friday.

Home Learning:

Please find attached a range of home learning projects for your child to choose from.
These are due in by Friday 13th December.

Their finished piece/pieces will be rewarded in class during the last week of half-term.

Home Reading:

Your child needs to be reading at home on a regular basis. This can be reading independently, to an adult or sibling, or being read to.

Children should be reading at home at least 3 times a week.

Remember to make use of the Ebooks and to quiz your book on Accelerated Reader once finished.

Reminders - Useful websites and resources:

KS2 English - BBC Bitesize

Home Maths:

Useful activities to complete at home:
- Reading a clock and calculating how long until they leave for school etc
- Working out money and calculating change
- Different measures and their relation to each other
- identifying shapes in their environment and using correct mathematical vocabulary to discuss them
- Noticing maths in everyday life

Open Afternoon, Events and Trips:

We plan to pop down to St James' church for part of our Christmas RE unit of work at some point during this half term.

School website:

There is a whole list of useful links on the school website which can be found at:

https://www.meonjuniorschool.org.uk/our-school/useful-links/

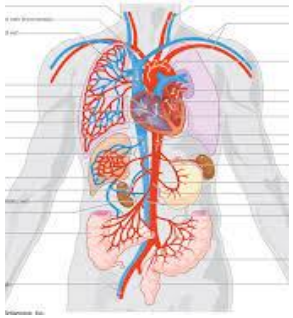

Please remember secondary school transfer application forms should be completed by End of October.

Homework:

Homework will continue to be using Doodle maths at least 3 x 10 minute sessions a week, ideally 10 minutes every day.

We also require the children to be reading regularly, again ideally every day.

HOME LEARNING PROJECT IDEAS

Copy one of Sarah Graham's pictures and try to sketch your own version of it.

Get Doodling! Try and keep a streak of 10 going. Can you beat it?

Create a FRENCH poster showing French food and / or how to be healthy in French.

Get thinking! Produce something of your choice that links with Population or the human body.

Get creative … produce something of your choice which shows how the circulatory system works.

Write some instructions about anything of your choice
