

Writing

- ★**Narrative** - We will be writing a narrative based on the myth 'Theseus and the Minotaur'
- ★**Non fiction** - We will be writing a letter to our future selves.

Reading

Oliver and the Seawigs - Philip Reeve

Oliver grew up in a family of explorers, but his biggest adventure is about to begin.

Our focus will be on reading fluency, understanding different vocabulary, inferring different character and setting.

PSHE

Changing me

- We will be looking at how everyone is unique and special.
- Changes that happen in animals and humans as they grow up.
- What changes happen to the outside of our body- Children will be introduced to 'Puberty'

Maths

- ★**Money** - pounds and pence, adding and subtracting, finding change
- ★**Time** - telling the time to 5mins, analogue and digital, units of time, duration and problem solving
- ★**Statistics** (pictograms, charts and tables)
- ★**Place value** (column method - addition, subtraction and multiplication)
- ★**Times Tables**

RE

- ★**Theme:** Jewish Traditions
- ★**Key Concept:** Ritual
- ★**Religion:** Judaism

PE

- ★**Meon Movers** (Daily)
- ★**Athletics**
- ★**Sports Day practice**

History

★**Ancient Greece**

Who were the Ancient Greeks? What did the Ancient Greeks believe? What was life like for Ancient Greeks? What significant historical figures have left their mark? What are the similarities and differences between the ancient Greeks and Shang Dynasty.

Science

Light

- ★**Recognise** that we need light to see in darkness
- ★**Light** is reflected off surfaces
- ★**Sunlight** can be dangerous for our eyes
- ★**Shadows**

DT- Food & Nutrition

The children are continuing to design and make their own seasonal salad. Using culinary skills such as chopping, grating and spreading.

Things to explore with your child!

PE: Every Thursday

Home Learning:

Please find attached a range of home learning projects. These are completely voluntary. However, if you take part, your efforts will be celebrated in the last week when they can present them to their class.

Home Reading:

Your child needs to be reading at home on a regular basis. This can be reading independently, to an adult or sibling, or being read to. Children should be reading at home at least 3 times a week.

Remember to use Accelerated Reader to quiz your books.

Homework:

Homework will continue to be set on a Friday and due the following Friday.

Times table Rockstars

Please encourage your child to log into TT rockstars. Children should do a minimum of 15 minutes per week.

Maths:

Whilst at home, encourage your child to use their maths skills and practice times tables, division facts and number bonds.

Counting money, measuring, cooking and telling the time will all help them to consolidate the skills taught in lessons.

Events and Trips:

Light Workshop with Dr Geary 10th June
Art week-8th - 12th June
Art open afternoon 12th June
Aspirations Day 26th June
Sports day Friday 3rd July (details to follow)
Greek Olympics Workshop - 10th July
Last day of school 20th July
Inset day 21st July

Useful websites and resources:

There is a whole list of useful links on the school website including TTRS and Accelerated reader.

HOME LEARNING PROJECT IDEAS

Set up an obstacle course somewhere and try and time yourself completing.

Create a shopping list and add up how much you would spend. Challenge - calculate your change.

Make a horrible histories style presentation about the Ancient Greeks - this can be written or filmed

Design and make a salad. Can you write a recipe including weights and measures?

Use photos from when you were born up until now to create a memory book of your life so far.
