

Reading

The Day I fell into a fairytale

We will be finishing The Day I Fell Into A Fairytale by Ben Miller next half term.

Parallel texts – The Egyptian Cinderella

We will be looking at the modern version of Cinderella and comparing it to the original Cinderella.

Maths

- *Multiplication and division.
- *Factor pairs
- *Dividing by 10 and 100
- *Improve recall and accuracy of times tables.

History

Roman Empire - How did the Roman Empire become so powerful? How did the Romans conquer Britain? Why did Boudicca lead a revolt against the Romans? How did the Romans change Britain? What did the Romans believe? Why did the Romans leave Brit

Writing

Non-Fiction

We will be writing a balanced argument based on the question Should Christmas be cancelled?

Fiction

Narrative of the children's own traditional tales. We will be using the conventions of a fairytale we have learnt about in reading.

YEAR 4 AUTUMN 2

Science

Animals including humans

- describe the simple functions of the basic parts of the digestive system in humans.
- Identify the different types of teeth in humans and their simple functions.
- Construct and interpret a variety of food chains, identifying producers, predators and prey

French

Ma famille

This term we will be learning how to introduce our family members in French.

PSHE

Celebrating Difference

We will explore the concept of making judgments, understanding influences, bullying and celebrating what is special about me!

RE

Hanukkah: The Jewish festival of lights. We look at how people of the Jewish faith celebrate this festival and the concept of rededication.

Music

Singing, improvisation and notation – preparation for the carol concert

PE

Netball – practising our skills and developing our teamwork.

Art

Skill – Painting

Artist – Van Gogh

Outline: Exploring colour and line through the use of acrylic paint.

HOME LEARNING PROJECT IDEAS

READING GIVES US
SOMEPLACE TO GO
WHEN WE HAVE TO
STAY WHERE WE ARE.

It is really important when we choose books that we find ones we love. Use your books at home, from the library or the E-Books to create a collection of Book Reviews which we can use in the classroom to help us choose great books!

Create a set of Top Trumps for different animals including humans. You could include information about their diet and teeth including whether they are producers, predators or prey.

Last half term, we enjoyed learning about river. For retrieval practice undertake a project of your choice. Perhaps a model, or a collage using different materials or an annotated sketch.

In History we will be exploring lots of aspects of the culture during Roman Britain - one of these will be how the Romans influence our architecture and towns today. Try making or designing your own Roman town!

Lots of our children have told us that they love animals of all kinds! Create us a piece of project work that you can use to present to the class to teach us about an animal you like very much. It could be a slideshow, a poster, fact cards etc.
