

YEAR 4

Curriculum map – Summer Term 1

WHAT WE ARE LEARNING:

Reading: The Boy At the Back Of the Class by Onjali Q Rauf

Writing: A narrative based on the wordless picture book 'Float'

Maths: Decimals, Money and Shape

Science: Rocks

History: The Vikings

French: Au Salon de the (The tea room)

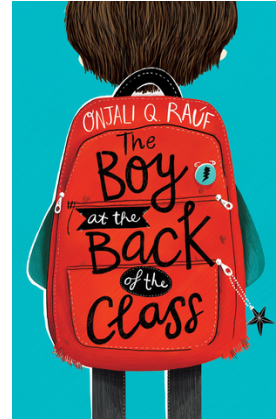

PSHE: Relationships – We will explore different ways to show love for people and animals.

RE: Sikhism and the festival of Baisakhi

DT: Book lights

PE: Cricket and Real PE Unit of Fundamental Movement Skills

Music: Glockenspiels

HOME LEARNING SUGGESTIONS

We will be learning about the Vikings this half term. Some ideas of home learning you could do: create a Viking longship, craft some brooches in the Viking style or even make some runes.

We will be learning about rocks and their different properties in Science. Why not collect some rocks one weekend and try to use scientific vocabulary to make a fact file?

In DT, we will be researching some different designers. Research some product designers who have made innovative products that have changed the way we live our lives.

In Art, we will be making sculptures inspired by Barbara Hepworth. Research her further or any other ceramic artists!

REMINDERS:

- Our PE days are every Friday and every other Tuesday. Please ensure your child has a PE kit in school on these days.
- Homework is given out every Friday and should be returned the following Friday.
- Please encourage your child to read for 20 minutes a day. Remember to use Accelerated Reader to quiz the books they have read.
- Speed recall of times tables is incredibly important to help your child to succeed in maths. Please encourage them to use TT Rockstars every week - our MTC check is fast approaching!
