### Upcoming events:

**02/06/25 - 06/06/25**  
Stubbington Residential  
and Activities Week

**25/06/25**  
Portsmouth Book Awards  
at Kings Theatre

# HOME LEARNING IDEAS

## Geography

### Mini Eco-Challenges

(One Per Day/Week)

Examples:

- Turn off all lights for 1 hour: record what you did instead.
- Use no single-use plastic for a day—write or draw what you used instead.
- Create a meal using only local or leftover ingredients.

### DIY Upcycled Craft Project

- Make a bird feeder from a milk jug.
- Design a pencil holder from old tin cans.
- Create an eco superhero using only recycled materials.

## Science

**Design an Ideal Pet (Adaptation & Needs)** Invent a new animal and describe:

- What it eats
- How it moves
- Its habitat
- How it's adapted to survive

**Build a Body: Create a Human Anatomy Model** - Use playdough, pasta, cardboard, or recycled items to build parts of the human body.

- Digestive system with labeled parts.
- Skeleton using cotton buds or straws.
- Heart model using plastic bottles and tubes.

## Reminders:

- Our PE days are every other Wednesday and every Thursday. (Our first Wednesday will be 26th February) Please ensure your child has a PE kit in school on these days.
- Homework is given out every Wednesday and should be returned the following Monday.
- Please encourage your child to read for 20 minutes a day.
- Remember to use Accelerated Reader to quiz the books they have read.
- Speed recall of times tables is incredibly important to help your child to succeed in maths. Please encourage them to use TT Rockstars every week.
